about She Nell

She Nell is an author, blogger, and reader, always searching for a great read that draws you in but does not draw you away from the Christian Lifestyle. As a believer, she is mindful of the atmosphere she creates for herself and the messages she entertains. She admits she is mindful, not perfect. In the summer of 2017, she began a blog Shenellinc.com, where she reviewed Christian Fiction and interviewed Christian authors and readers. In the fall of 2017, she signed to Anointed Inspirations Publishing, and her debut book *A Good Thing* was released in October 2017.

She Nell is the author of over 11 Christian Fiction books. In 2020 she published her tenth Amazon best seller *Walking Crooked with Christ* and became the CEO of Light and Salt Press LLC. Her blog, Shenellinc.com, is a go-to resource for writers and readers of Christian Fiction. She holds several nominations and awards. In 2021 she was awarded the Endie Fiya Radio Show Author of the Year and Best Interview awards. She received the honor of the Path to Publishing Conference's Author of the year in September 2021.

AFRICAN AMERICAN CHRISTIAN FICTION AUTHOR

how it began

I was an avid reader. In fact, I would say “I like the drama in my books and not in my life”. My dream of being a writer faded away because I was told that I would be a starving artist and would not be able to take care of myself if I wrote books. So I went to college but I maintained my love for reading. Fast forward some years, my pastor told me if I would throw out all of my books God had a blessing for me. (I had ZANE and autographed Eric Jerome Dickey’s books, you name it I had it.) I cried but I did what she said. For a couple of years, I stop reading. Which honestly wasn’t bad because I was convicted in my spirit after bible study. I was reading street fiction and erotica after praying God would deliver me from a sin-filled. One day while preparing for a flight I was looking for something to read. I found Christian Fiction and fell so deep in love with it that I started a blog. In a very short time (like months) my blog caught the eye of a publisher and my first book was published. I published 7 books with the company. In 2020 I started my own Press- Light and Salt Press LLC and began publishing as an independent author.

The Flawed but Faithful Series

Walking Crooked with Christ

Jas'Mia knows God, but she also knows death, loneliness, struggle, and pain.

Jas'Mia thinks she has lost the love of her life, Bobby, to Shelby, the woman he has decided to marry. Jas'Mia seems to have lost everything, but soon blessings appear. Carlos is everything a woman could want in a Godly man. Money falls like rain and washes her struggles away but doing the right thing is not easy to do when wrong feels right. Can Jas'Mia walk with Christ if her steps are crooked?

This was a well-written story of God's love and redemption. I enjoyed seeing Jas'Mia's progression throughout the book. Shelby was a real piece of work. I enjoyed this book as well as Rue's story. I am excited to see if there are more stories with this cast of characters.

Author Tanisha Stewart

Battered, broken, beat down, and desperate, these women are flawed. They live conventional lives in a conventional community, but thankfully, they serve an unconventional God. With their faith, they overcome imaginable obstacles and endure unthinkable pain. However, there is a light at the end of each dark tunnel and a silver lining around every cloud. These women learn nobody can restore broken hearts and dreams the way God can. Although, they have their share of enemies they also have strong men, faithful friends, and family in their corner. Are the women perfect? No, these ladies are flawed but faithful.

This is a stand-alone series. Each book can stand alone or be enjoyed in order.

The No Love Like God's Love Series

THIS BOOK HAS BEEN REPUBLISHED WITH A NEW COVER SINCE THE ORIGINAL PUBLISHED DATE IN 2019 CONTENT IS STILL THE SAME.

They live in a world where good girls finish last and trusting God means you may be living an alternate lifestyle. Chantel is an average girl not searching for a knight in shining armor just looking for a peaceful night of rest. She is desperate to get away from the abuser she pledged to love since they were children. Bryant, the new minister, has a questionable relationship with Lorenz. Bryant and the colorful Lorenz have been best friends since childhood. Bryant has moved back home to help his friend deal with a painful secret and to start a new ministry. Bryant struggles with church rumors that may cost him the very desires of his heart. Within this mixed-up membership of Christ Love Fellowship Church, the message of God gets lost in rumors and emotions. Will Bryant follow his heart and find his mate? Will depression overtake Chantel? Find out as a new definition of a good thing is explored.

Oh my goodness. I was highlighting and copying and pasting the prayers she wrote. Only to find them all listed in back of book. These poems, prayers, songs are a story for me and my walk with God. I started a journal and writing again since reading this. Yes, won't He do it. I asked and received more than I imagined. Looking forward to rest of this series. Excellent. Praise God for you and continue doing

The Living A Blessed Series

If it shimmers, is it gold? Life for Tiffany's three best friends seems to be golden. Ebony has a loving husband and a beautiful child. Jennifer has a precious newborn and is married to a wonderful minister. Tasha is single and satisfied. If you look at her friends or their social media posts, you will agree they are living a blessed life. However, Tiffany will learn that one of her friends is living a blessed lie.

I'm sitting here with my mouth open like I know this author didn't leave me like this . I need to know about Tasha's man, Jennifer's baby bonding difficulties and Ebony's issues . I need more let's go part 2.

Her Pleasure His Principles

THIS BOOK HAS BEEN REPUBLISHED WITH A NEW COVER SINCE THE ORIGINAL PUBLISHED DATE IN 2019. CONTENT IS STILL THE SAME.

Kelis Marshall has it all and a five-year plan that will take her to the top of the office food chain. She is her own God. What this self-made queen wants she gets, that is until she meets Hezekiah Washington. Hezekiah, a born-again Christian, respects Kelis' drive but is wary of a relationship with a nonbeliever. The flesh battles with the spirit and Kelis' pleasures appear to outweigh Hezekiah's principles. Kelis gets all she desires, but there is a twist.

This book was about a woman who was climbing the ladder of success without God. She learned lessons and was healed.

The ending was a pleasant surprise

Ramsey's Bed is Never Cold

THIS BOOK HAS BEEN REPUBLISHED WITH A NEW COVER SINCE THE ORIGINAL PUBLISHED DATE IN 2020 CONTENT IS STILL THE SAME.

Ramsey Smith is beautiful, talented, and educated, but we all have our secrets. Ramsey is hiding an illness that will transform the way she lives every day of her life.

After a devastating break-up, Ramsey's love life becomes a game of Russian roulette. With each spin and click of life's loaded pistol, Ramsey comes closer to her spiritual death. Despite professional advice, she is determined to do things her way. No one can truly comprehend the magnitude of what she holds deep inside. Unfortunately for Ramsey, new love comes with a cost that she must pay and every old lover brings a debt she must resolve. After these horrific events, Ramsey finally finds herself in the arms that will love her for a lifetime. Ramsey's bed is never cold.

Such a story of struggles of emotional and mental wellness is so real. I thank you for being open to feel and hear from the Lord to pour out so much for so many!

May God continue to bless and use you

The Devil Thought He Had Me

THIS BOOK HAS BEEN REPUBLISHED WITH
A NEW COVER SINCE THE ORIGINAL
PUBLISHED DATE IN 2019 CONTENT IS
STILL THE SAME.

Meet Shannon, an overworked single mom with more issues than one, Jenna, who's willing to lose everything for a lie, April, a girl forced to leave it all behind, and Samantha, who hides a secret so deep in her heart. Strong forces attempt to derail the women and move them to tears as they try to live their best life on their own. Just when things seem to go their way, they find their worlds falling apart. Will past lovers and present interests keep them from the will of God? The enemy takes many different forms in the lives of these four friends. Will his tricks prove to be profitable?

I didn't see the story going the way that it did. I am so happy for happy endings. I was really concerned a few times. But She Nell pulled through and gave a very enjoyable read

The Hot Mess Choir : Joyful Noise

THIS BOOK HAS BEEN REPUBLISHED WITH A NEW COVER
SINCE THE ORIGINAL PUBLISHED DATE IN 2019 CONTENT
IS STILL THE SAME.

First Lady Deidra Jones is expected to do the unthinkable. She must pull together four choirs that hate each other for her husband, Pastor Myron Jones' Pastor's Anniversary Celebration. The Holy Missionary Mass Choir is filled with characters like Shonda, a single mother of six trying to keep her oldest son alive. Then there's Donnell, the church playboy who is torn between three women. And no one can forget Mother Willie Mae Odell; whose sole mission in life is to take down Lady Deidra and the choir. First Lady Deidra Jones has a Hot Mess on her hands but will God be able to bring them all together or will they crash and burn like fire and brimstone?

Through all these different personalities, you can see how God is working out their issues and their lives. As God does His work in each choir member, the unity of the body begins to shine through. I really enjoyed this book.
